ROYCE ROOLS AT HIS BEST

Shows Stake Quality in Defeating the Speedy Thunderstorm.

Canarsie to Dr. T. S. Dabney—Georgie First in Harmonicon Handicap.

NEW YORK, N. Y., June 28.—Royce Rools, when he feels well and in condition, is of stake quality. The elderly gelding is normally and in bad weather full of aches and pains and hasn't more than one or two sound legs. But when the days are hot and the rangy son of Salvation and Saintolat is feeling well, it takes a mighty good race horse to beat him.

It is a pity that in the registry of names he was tangled up through lack of knowledge and a murkily written slip. The old gelding was to have been named after the best of motor cars—and wasn't. The same misfortune over nomenclature happened to Piute, which ran gloomily to old age as Ponte, the noble Trojan's namesake Troilus, by the cross of an "I" lives and moves as Troitus and The Colleen Bawn defaces entry cards and jars intelligence as The Cullen Bon. The clerics of record are sad bunglers in their odd moments.

Royce Rools, carrying his bad name and 118 pounds, was tracked against Thunderstorm, 120 pounds, and some minor racing characters in Aqueduct's fifth race, the Parole Handicap, at a mile and a sixteenth Tuesday afternoon. It was rather odd that Thunderstorm, with two bad races to his recent discredit, was forced into favoritism. Thunderstorm was heavily backed to be the race's winner, Royce Rools receding from odds-on to 13 to 10 in what betting there was. Royce Rools ran the race which was expected of him. After Thunderstorm and Courtship had jauntily shown a fast way for half a mile, Thunderstorm being spelled after the first quarter—Yeargin cut the favorite loose, perhaps too easily. Well straightened out Royce Rools, well ridden by the good western boy B. Kennedy, moved up at the rails to Thunderstorm and the pair, far before the others, had it out to the winning post. Royce Rools, full of courage and speed, gradually got on even terms with Thunderstorm and won in the last few strides by a good head, Kennedy rather outriding Yeargin in the finish. It was a most popular win and cheered as such.

"GOOD THING" WINS STAKE RACE.

The racing piece of value was the Canarsie Selling Stakes for two-year-olds, worth $4,300 to the winner and over five-eighths from the chute. The result was surprising and the winner, W. McDaniel's—of the Chicago Stock Yards—good-looking chestnut colt Dr. T. S. Dabney, by His Majesty—Marie Odile, sold from Major Gifford Cochran's lot at Saratoga last August to Andy Blakely, who trains him, for $1,900. The Doctor had run one rather mournful sampler. But he was a "good thing" here—one of the "good things" that are "good things" and not "bad things" in gaudy packages and labeled. The Doctor sturdily backed, Frank Keogh was astride the colt and got him away second to the bad acting and start delaying Runnyol, with Brilliant Ray and Picnic, another hard nut for starters to crack. Mr. Stoneham's colt Quesada was the favorite, with stout support for Picnic and Cape Pillar and stouter for the Rancocas colt Timbrel.

Once on the straight, where Cape Pillar was carried out on his own account, four of the choices were left to fight it out. Timbrel got off poorly and never cut a sharp figure. Picnic, Brilliant Ray and Quesada were the leaders at the eighth post, with The Doctor fourth and coming in a clear path. Picnic at the rails seemed to be the winner thirty yards out, where he had beaten Brilliant Ray. Quesada also was done there. Keogh brought The Doctor up fast—racing with Runnyol—going as fast as he—the pair got up to both beat Picnic in the last half dozen strides. Both colts finished with hand determination. The Doctor won by a nose of good length—an east sider, to be explicit as to size. Runnyol was unlucky not to win. Keogh seemed to outride Turner in the finishing rush. It was a good-looking end to an interesting race.

Spring is full of speed. From it has come Morvitch and Runnyol and Runstar—it's reported best is yet to come.

The Redstone Stable sprinter Georgie won the highweight sprinting Harmonicon Handicap at three-quarters of a mile, which was second on the day's racing menu.

He was the stoutest sort of a favorite as a matter of course. Georgie was taken away from Gladiator's house some days ago and pried back with strong tools. He is a fast horse and works quarters in 22⅖ seconds or so when he feels good—which isn't always.

GEORGIE'S MEDIOCRE OPPOSITION.

Georgie had only St. Michael, Edwina—not quite ready—and three slower horses to beat. He did it readily and speedily enough. St. Michael showed the way with a first quarter in 23⅖ seconds and a second one in 23 seconds. Then Georgie moved up and, after a bit of an argument, headed the Cochran chestnut to win with some reserve and mildly hand ridden by a half length in 1:12⅖, good time for the course as it was. The others headed by Edwina were far away.

Cartoonist H. C. Fisher's game, fast and honest filly Hold Up, considered as usual to have no chance and the outsider in the opening race at one mile for three years of little or no class, won it all the way, and under some pressure beat Duc de Morny and The Enquirer. The favorite, with rising figuring, Fantoche, under Sande, was a decided last all the way and ran too badly to meant it. He could get out of his own way and was up the track—fourteen lengths behind Hold Up—and not sulking or a cripple—at the end.

Major Cochran's home-breds had a large Tuesday. St. Michael gave Georgie a fast argument. Dr. T. S. Dabney won the stake race and another, Cimarron—a fast and honest daughter of His Majesty—Royal Martyr—won the third race for mares of no great money winning performances this year. Cimarron was a stout favorite and let the fleet and flashy Mavourneen show her how to go around the hooked part of the course until it gets straight. There she got to and beat Mavourneen to win by a couple of lengths, the mile in 1:38⅘—a pretty smart performance. Lady Gertrude was closing stoutly at the finish. Conine and others were not.

Leghorn, W. Dugan's Celt—Tuscan Red filly, with a great reputation, was chosen to win the first race for two-year-old maidens at five-eighths. She had Sande up and did what was asked of her in less than a convincing way. Mr. Whitney's Balance was thought to be able to beat Leghorn and did give her a stout argument. But Leghorn hurried away and kept going, won, ridden out by a length from Balance, which was just clear of Sherando.

The racing conditions of the day were not good. The air was hot, heavy and foggy early, and when the horses were at the post for the closing race a heavy and honest rain poured down. It was needed and will help the going. There were about 8,000 people out and the racing ground was duller than it has been for some days. Four favorites won their races. B. Kennedy rode two winners.

Large fields are the rule for tomorrow at Aqueduct. The entries are swelled by the addition to the purses of $7,132.60 in run-up money from Monday. This will be divided over five races, bringing the total for each contest, with the exception of the steeplechase to $2,426.52. The rule covering the distribution of run-up money says that it must be divided among the overnight races. No specification is made as to what portion will go to the first, second or third horses and in the past it has been customary to allot all of the excess dividend to the winners of the various races. Acting upon the suggestion of horsemen, secretary Fred Rehberger has arranged that in instances where the amount of excess money to be distributed is large, as in tomorrow's instance, $200 extra will be given to the horses finishing second and $100 extra to those finishing third. The division of the purses accordingly will be $1,826.52 to the winner, $400 to the second horse and $200 to the third.

Jockey S. Bullman suffered no serious injury in his fall of Monday and will be ready to ride again as soon as his scalp wound heals.

MOTOR COP MEETS DEFEAT

Too Much Weight and Dull Track Bring Downfall of Top Heavy Favorite.

HAMILTON, Ont., June 28.—The Burlington Handicap, a dash of three-quarters, fashioned for three-year-olds and over, was offered as the feature attraction at the Hamilton course this afternoon and resulted in the biggest upset of the spring season in Canada when Motor Cop finished behind Sewell Combs and By Jiminy. The time for the race was extremely slow, the distance being run in 1:15⅖, which for the class of horses running, was entirely too slow. The rain storm which visited the track during the course of the night served more to deaden the going than turn it into a slow one.

Of the carded eleven named for the feature race six refused and Motor Cop was installed a top-heavy choice. There was a slight delay at the post and, contrary to his usual practice, Motor Cop was away last. Sewell Combs was the one to set the pace for the entire way and won going away at the end. There might have been a different story to tell had Motor Cop got away in a forward position, as he was pretty well used up overtaking the leaders and quit badly under his heavy impost in the final eighth.

Big fields paraded in each race and the majority of the winners had safe margins at the end.

Spills and thrills came aplenty with the running of the Barton Steeplechase, fashioned for maiden four-year-olds and over. Abdul fell at a jump in front of the stand and rolled over jockey Fricker. The latter was knocked out, but recovered in the jockeys' inclosure. Woodruff and Nonus also unseated their riders. At the conclusion of the last fence instead of turning into the straightaway Beehive continued around the course, but was taken up and finished. The race was won by Baronet, with McCorburn and Sweet Colleen finishing second and third respectively.

A dash, fashioned for maiden jockeys astride Canadian-breds, was carded as the third race. In this F. Parrington graduated from the non-winning ranks when he steered Oakling home in front. Huntley's effort on Gallipot was one of the poorest exhibitions and caused his downfall.

Despite the threatening and showery weather another crowd of record proportions was on hand to witness the running of today's program.

Jockey G. Walls was forced to cancel his engagements this afternoon, due to an attack of illness.

Fred Richard of the Dorval Jockey Club departed for Montreal today after attending the Canadian Racing Associations meeting yesterday. Mr. Richard is enthusiastic over the prospects for the next meeting at Dorval.

Following the running of the last race yesterday Citizen was led to a new stable via the claiming route, L. A. Seregni, who was represented in the race by Mountain Rose II., securing him.

Miller Henderson and M. C. Kelly will ship from here to Windsor to take part in racing at that point.

J. W. Healy, acting for J. Lumsden, sold to Allen Bullcroft at private terms the two-year-old Brodie.

Ima Frank, which is still a useful racing tool, was at one time almost destroyed. The mare ran into a barb wire fence while on the farm and cut herself in a severe manner about the chest and legs. The wounds were healed up and an attempt was made to breed her without success. As a last resort it was decided to again attempt to race her and she walked from the farm to Benning, a distance of some twelve miles, and was turned over to Mike Kelly, who was successful in getting her into racing condition.

C. T. GARLAND DIES IN ENGLAND

C. T. Garland, an American, who was naturalized as a Britisher in 1914, an extremely rich man and enthusiastic turfman, died on his estate at Moreton Morrell, Warwickshire, June 8. Mr. Garland raced under light blue and black colors in all English departments for fourteen years. Outlands was in the Grand National of 1906 for him and he lately owned Somme Kiss, second behind Gainsborough for the Two Thousand Guineas of 1918, Milton, Woodrow, Clear Trace and other fast horses.

LATONIA'S COMING FEATURES

Much Interest Displayed in Valuable Cincinnati Trophy and Latonia Oaks.

LATONIA, Ky., June 28.—Latonia patrons are looking forward with a considerable degree of interest to the impending renewal of the Cincinnati Trophy, the last of the local spring stakes for two-year-olds, which will be run Saturday, July 2. It is believed that this stake will decide the much mooted question as to which of the juveniles is entitled to the western championship honors. It was expected that the running of the Harold Stakes last Saturday would settle the question of superiority among the colts, but it failed of its purpose, as G. F. Baker's John Finn, heretofore regarded as the peer of the colts, failed to defeat Montfort Jones' Rockminister decisively and left considerable doubt in the minds of horsemen as to his ability to defeat the Jones colt over a longer route than the Harold Stakes, which is at five-eighths of a mile. Both colts are eligible to the Cincinnati Trophy at three-quarters of a mile, which distance will furnish a truer test of their ability. In this stake they will be opposed by Miss Joy and Fair Phantom, both the property of Montfort Jones, and rightfully regarded as the best of the juvenile fillies racing in the West. Many horsemen are of the opinion that the running of the Cincinnati Trophy will demonstrate that these two fillies will prove immeasurably superior to either John Finn or Rockminister, or any other colt that may start in the stake.

On Saturday, July 2, the rich Latonia Oaks for three-year-old fillies will be decided. This race has an endowment of $10,000 added, and is at one mile and a quarter. It is accounted one of the foremost of western turf fixtures and, next to the Kentucky Oaks, is the most important Kentucky stake for three-year-old fillies. It had its inception in the year 1887 and was run continuously until 1909, after which it was abandoned and not revived until last year, when it was won by E. R. Bradley's Busy Signal. For the approaching renewal of the race there are sixty-five eligibles, including all of the three-year-old fillies that have been racing prominently this year. Nancy Lee, a victor in the Kentucky Oaks, is among the number, but it is problematical whether owner J. A. Clark will send the filly west to start in this stake. The field that will go to the post in this event will be recruited from among such ones of proven merit as Bit of White, Believe Idle Hour, Cho Cho, Aphie Dear, Bettina, Fallacy, Pongee, Dimples, Cozette, Lady Madcap, Golden Dreams and Doric. Among the eastern owned fillies are Step Lightly, Careful and Prudery, but their respective owners have given no indication of shipping them west to race in the stake. It is confidently believed that a representative field will be named and that the contest will be thoroughly in keeping with the best traditions of this stake, which numbers among its twenty-four winners such sterling racers as May Hempstead, Ida Pickwick, Flora Pomona, Lady Savoy, Chulita and Crystal Maid.

SUIT OVER COLT PLAYFELLOW

S. C. Hildreth Seeks to Recover $100,000 Paid for Brother to Man o' War.

NEW YORK, N. Y., June 28.—S. C. Hildreth announced today that he will enter suit against James F. Johnson, owner of the Quincy Stable, for recovery of $100,000 paid to that establishment for Playfellow, the three-year-old brother to Man o' War.

Hildreth will base his suit upon the allegation that the colt is a wind sucker, and that the sale was made under misreprsentation.

"While I believe that Playfellow is worth the price paid for him as a stock horse," said Mr. Hildreth, "there is a question of principle involved. I asked especially at the time of closing the deal for the colt if he had any bad stable habits and was informed that he had not. It was with this understanding that I consummated the deal for his transfer from the Quincy Stable to the Rancocas Stable."

James Fitzsimmons, trainer of the Quincy Stable horses, asserts that Playfellow was not addicted to wind sucking while in his stable and is at a loss to account for the charges of Hildreth.

"I believe," said Mr. Fitzsimmons, "that the Rancocas Stable obtained in Playfellow a cheap horse, although the price paid for him was a large one, and had Mr. Johnson been a man of Mr. Sinclair's wealth I never would have counseled to part with Playfellow.

"Mr. Hildreth asked about his stable habits at the time of the sale and I told him that he had no bad ones. He had none to my knowledge. I believe him to be the best three-year-old in the country today."

CURRENT NOTES OF THE TURF

Believe Idle Hour showed an enlarged tendon after her race Thursday afternoon and is destined for a short period of retirement at Idle Hour Farm.

Jockey Ryan was set down for the remainder of the Reno meeting and fined $50 by the starter for interfering with El Mahdi right after the start of the fifth race of June 21 at the Nevada track.

The good sire As d'Atout, thirteen years old, by Macdonald II.—Anastasie, by Le Sagittaire, died June 16 at the Jardy Stud in France. Before going to the stud As d'Atout won $100,000 in stakes.

So far during the British cross-country season the leading riders are F. B. Rees, 36 wins; F. Wootton, 30; H. A. Brown, 20; W. Smith, 20; G. Duller, 19; H. Smyth, 19; W. Anthony, 18; Captain G. Bennett, 15.

W. A. Shea sent a man to B. M. Dever's farm at Perryville, Md., to take up the eight-year-old Rock Sand horse Woodstone, which has been turned out there. The horse will be shipped to Mr. Shea's stable at Aqueduct.

The forthcoming Empire City meeting will run from July 9 to July 30. There is a surplus of $659.90 in the claiming race fund from the autumn meeting of 1920 and this will be added to the five overnight races on opening day.

There are sixteen stakes set for decision at the Empire City meeting. Principal of these is the East View Stakes of $10,000. The Empire City Handicap and the Empire City Derby, each with $5,000 added, are next in importance.

BEST PAL IS VICTORIOUS

Wins a Capital Race with Fleet Marjorie Hynes Second.

Bill and Coo Also Takes a Race for Owner Bradley—Virgo First, but Disqualified.

LATONIA, Ky., June 28.—Today's $2,000 mile and a sixteenth handicap attracted a field that was equal to any that has competed in rich stakes at this meeting and it was productive of as keen intrest. Best Pal was victor, but he had to do his best to outstay the vastly improved and consistent Marjorie Hynes, with another sturdy one, Jouett, just getting up for third place.

Unlike in his last previous race Lyke kept Best Pal restrained until he was fully settled for the stretch racing, where he called on him and the Bradley representative parted company with the others and won comfortably, although before reaching the finish Lyke found it necessary to apply his whip sharply several times to make the colt keep on at his best pace. Marjorie Hynes had also been saved in the early running and found it difficult for a brief period to weave her way through, but she found an opening in the last eighth and set in swift pursuit of the winner. The entire field, with the exception of Sands of Pleasure, was closely grouped until in the last eighth, where there was a general dropping back, particularly by the early pacemakers. In preparation for his race next Monday in the Independence Handicap Sands of Pleasure was worked out the additional distance to a mile and a half. If he runs then like he did today he might as well be kept in his stable.

The fourth race brought about the first disqualification of the meeting when Virgo was set back for Pool's action in striking British Liner, a strong contender at the time, across the head, causing him to lose ground. The incident came in the last seventy yards of the race in plain view of the spectators. Virgo had been the leader from the start, with British Liner attending ihm closely. The pair, joined by Pit near the end, were fighting it out closely when Pool resorted to his whip and landed it across British Liner's head. The Pendergast representative, with the feel of the lash, threw his head up and dropped back, almost losing second place. Virgo in the meantime kept on and, being of the belief that British Liner would have won but for Pool's action, the stewards disqualified Virgo, gave the purse to British Liner and Pit second place. Miss Nell, which had landed fourth, was moved into third place. Pool was suspended for ten days. This precludes his riding here for the remainder of the meeting.

The E. R. Bradley stable made it a double for the afternoon with the victory of Bill and Coo in the second race, a five-eighths sprint for maiden two-year-old fillies. She was much the best and overcame interference. Bill and Coo is a sister of Best Pal, both being by Helmet—Padula. She raced promisingly and drew away with ease in the stretch to win from Marimba and Scandal.

RAIN FALLS DURING LAST RACE.

A brisk shower before race time tempered the atmosphere here noticeably, but in no wise affected the track, for good time was the rule in almost all of the races. In the sixth race came another downpour, which sent the big crowd scurrying for cover and the rain continued during the running of most of the last race.

The opener brought an upset in the victory of Surmount, and incidentally it registered the first success for former jockey Roscoe E. Troxler's silks.

By Golly had no difficulty winning in the third race, with A. N. Akin close in pursuit of him.

Bright Trash was another unexpected winner. His victory came in the sixth race, for which Tulalip and Alverida, both finishing unplaced, were favorites. The final race, run in a heavy downpour, fell to High Gear, with the suddenly improved Harvest King in second place.

Storm Bay came back after the second race badly bowed.

The program book embracing the period of July 1 to July 9 was distributed to owners this morning.

John F. Russell will not be allowed to start here in future, the entry clerk being told by the stewards to reject his entry in the future. The specific cause for his debarment is his apparent unfit condition, having been beaten approximately 110 lengths in his race yesterday. He had made three starts here this spring and on each occasion was beaten off. In his last two starts he has served as the medium by which a claim for another starter was made. The two horses claimed were Aph and Wickford.

After her working trial of a mile and a quarter this morning Bit o' White showed pronounced symptoms of lameness. The extent of her ailment is unknown at present and owner Bradley has sent to Harrison, Ohio, for a noted veterinarian to examine her. It was the intention to start the filly in the Latonia Oaks next Saturday over any kind of track and, unless the veterinarian advises against her going to the post, she will be started.

A sensational five-eighths trial by Miss Joy and Fair Phantom in 58⅖ this morning makes it reasonably safe to infer that the Cincinnati Trophy will be carried off by the Montfort Jones Stable.

J. B. Respress will ship his horses to Windsor next Saturday and campaign them at the three tracks there until next fall, when he returns for the Kentucky racing.

AQUEDUCT SUITS ROCKPORT'S FEET

If Rockport had good feet he would win many a race for "Father Bill" Daly. This is one of the best bred horses in the country, as he is by Trap Rock, a brother to Tracery, while his dam, Retained II., is by Hanover. When the track doesn't sting his feet he may be depended upon to run well. It is a long time since Bill was a factor in the racing world. He was a hard taskmaster with both horses and boys, but he made many a good rider in his day.
